New BDCL Website

The Birmingham and District Chess League now has its own website and it can be found at 'birminghamchess.org.uk' (without the quotes). At the moment it is very much work-in-progress so I would value your input. The format will be similar to the old site with quite a few extras. I am hoping to have an archive section which will eventually have bulletins going back to the year 2000. I am open to suggestions for other items that will be of interest to others. I would also like to put in anything that had to do with our Centenary celebrations.

Another new item is the 'Google maps' where I have put in all the clubs in the Birmingham League with a street level view of each club's front door. I was given the idea in an email from Alex Holowczak who drew my attention to the ECF use of Google maps. Again your input will be appreciated.

Sub domains will also be available on the new site so that you can have your own space with it's own name i.e. 'myclub.birminghamchess.org.uk' where you can have complete control over content, although the web master reserves the right to withdraw this facility from any club or individual that the League Secretary feels is abusing the system. There is also the facility for clubs and/or individuals to have their own email

address eg. myclub@birminghamchess.org.uk and the email is automatically forwarded to your home email address.

In the past we have been unable to carry any adverts but now we can – so if anyone has any ideas whereby we can generate some extra income then let me know.

Please send or tell me your thoughts and ideas for this project. The old site will continue to run in a reduced format for the next season.

Mike Rees (Webmaster).

Worcester Open Chess Congress, Saturday 24th – Sunday 25th July

Championship

I shall have to leave the reporting of most of this to my successor as Bulletin Editor. However Warks suffered a 16 - 4 defeat to Sussex in the Open quarter-finals, whilst in the U140s Staffs have won through to the quarters by beating Yorkshire 'A' 9 - 7 and Worcs drew with Sussex 8 - 8 but lost on board count.

Report of the Rules Committee Meeting

Held on Monday 19th April 2010 .

Match 256 Wolverhampton v Stourbridge.

Stourbridge claimed that Frank Wood (Wolverhampton) resigned his game against Jeremy Humphries (Stourbridge) when he thought he had lost by making an illegal move. The game was being played at the standard time control, not a fast finish. Frank Wood stated that although he did shake hands with his opponent he did not resign as he thought he had already lost and after being given advice by other Wolverhampton club members, realised that the rules merely require the position to be corrected. His opponent agreed to continue the game and Frank Wood won. The Stourbridge Captain was unaware of this situation and thought that the players were only analysing the game “won” by Mr. Humphries. To avoid bringing the dispute to the Rules Committee, Stourbridge offered a draw to Mr. Wood but this was refused.

Decision

The Committee finds that Mr. Wood conceded the game in the belief that he had lost due to a breach of the laws of the game and did not resign. However, the Committee finds that the game was only continued due to the advice given to Mr Wood in contravention of Article 12.3(a) of the Laws of Chess and the game is, therefore, awarded to Mr Humphries.

The law in question is:

12. 3. a. During play the players are forbidden to make use of any notes, sources of information or advice, or analyse on another chessboard.

It is intended to publish, in Bulletin 1 of the new , Season guidance as to how players should seek advice and what the limits of that advice should be.
